

## Math department poster competition

The department of mathematics, UNO, is organizing a poster competition. You are encouraged to participate the competition. The details follow;

**Description:** The poster has to be based on analysis of real data. You can use any data that you are currently working on. One can participate as a single participant or as a team of 4 or less members. There will be two sections; undergraduate and graduate. Graduate and undergraduate students can't form a mixed team, the team has to be strictly either undergraduate or graduate.

**Registration:** Registration is free for any UNO students. Registration needs to be done by sending an email to Deborah Challman [dchallman@unomaha.edu](mailto:dchallman@unomaha.edu) by April 1, 2015. Please include the following information in the email to register

Title:	Title of the poster
Authors:	name of the team members
Section:	graduate or undergraduate
Abstract:	An abstract of no more than 500 words

**Final submission:** The soft copy of the poster is due on April 22, 2015. The dimension of the actual poster can't be bigger than 48X60 inches. You may need to present your printed poster in front of a team of judges. The date and time of the presentation will be announced later.

**Prizes:** Each of graduate and undergraduate teams will receive the following prizes

First Prize:	\$500
2 <sup>nd</sup> Prize:	\$200

**Sponsor:** The prize money is the generous gifts from Mr. Patrick Kerrigan, a math department Alumni.
